

SWIMMING LESSONS TERM 2 – P7

Dear Parent/Carer

2nd December 2019

The Swimming Programme is an essential aspect of the NI Curriculum at Key Stage 2. The NI Curriculum states that swimming is a statutory requirement within the Physical Education area of learning.

Twelve weeks of swimming lessons for P7 pupils at the Mid & East Antrim Leisure Centre, Ballymena, will commence on **Monday 6th January 2020** and continue until **Monday 30th March inclusive** (excluding Tuesday 17th February). Lessons will take place every Monday afternoon and pupils will be collected from school at approximately 1.30pm and return before 3.00pm. They will be accompanied by school staff and supervised during the lessons.

Unfortunately, due to budget cuts across the education sector we regret that it is no longer possible for Buick to assist with the cost of transport and lessons. The cost per term is **£35.00**

Please complete and return the attached permission slip along with the exact payment to the class teacher by Tuesday 17th December. (Cheques should be made payable to “Buick Memorial Primary School”).

Thank you.

Miss R Peters
Acting Principal

Reply Slip
